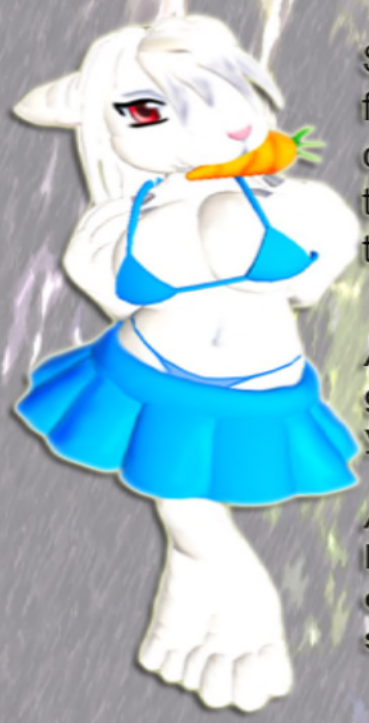
MAY HALAST

We found this busty bunny on one of her hunts for carrots!



She found some and we found her! With a nice, juicy carrot in her mouth we asked the little lapine to hop on over to the studio for a shoot.

As you might have guessed she said yes. ^^ (duh)

After this shoot we met her mate who was nice enough to help us show off their house.

AG: First off lets ask you a few questions, shall we?

May: Tell me

AG: I see you're a cute little bunny rabbit on a quest for carrots... what's your favorite part of being an adorable little bunbun?

May: I find bunnys cute
AG: Oh, what else?
May: Generally bunnys have many kids too. I like breeding :p

AG: So we heard you like to keep in shape,,, any truth to that?
May: I'm energetic when the situation needs. :p
AG: So... is it safe to assume we can pay you in carrots?

May: Heh, carrots are good.

AG: So, how far would you go for a carrot?

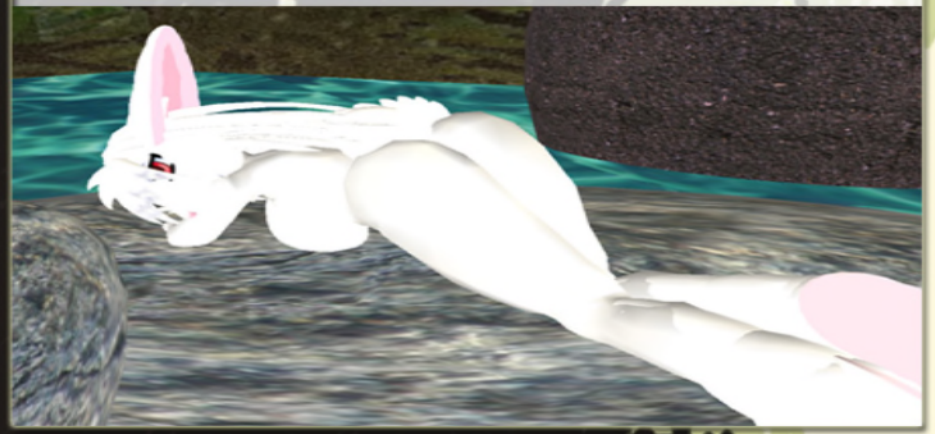
May: Mmm... if I'm hungry, I can do anything for a carrot.

AG: I hear you like furry impregnation... and you're a rabbit... does that pose a problem for you?

AG: So Far we've reinforced the idea that lapines are energetic, horney and have lots of litters... any objections?

AG: Whew! ^ ^

AG: So, what exactly do you do with the carrots once you have collected them?



May: I like to eat the carrots while I suck them and use then as a dildo.

AG: Ok May, thx for coming out to see us, now lets trade some of those pics you mentioned for carrots!

Girl's Day Out

Action Scene 1

A few hard working AG models spend the day out at a spa... who knew they would end up having more sex here than they did at work that day. Poor things! Just sexy everywhere they look! ^^

Note: This scene features our models in a cameo role, but the premise of the scene is fictional. (Aww) Only their names are the same.

Starring:

Tiana Foxley: Sore Vixxen

Torrie Soderstrom: Happy Husky

Eve Bishop: Sexually deprived lady skunk

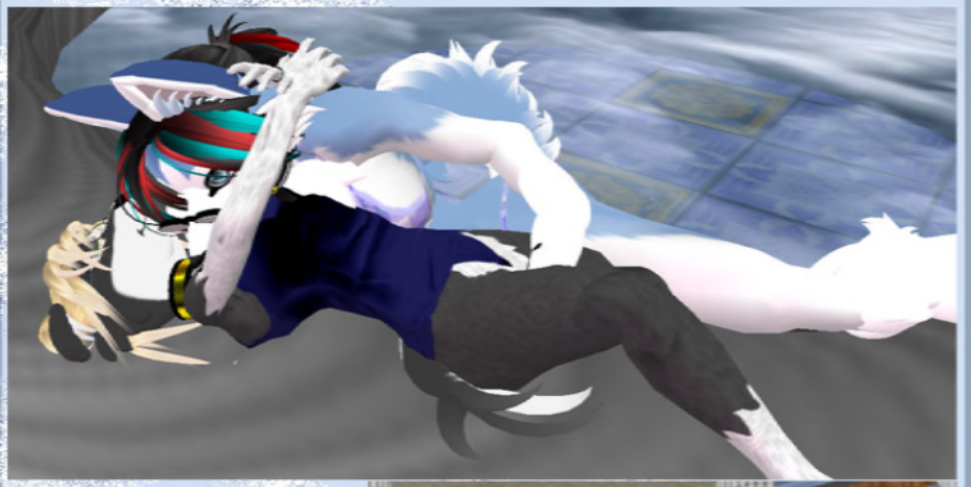
Netreek Behmoth: Masseuse

It had been a long day for both of the models... their shoot at the Anthrogasm lot had them tired with sore pussies and tail holes. Torrie sat gingerly on her rump, happy to feel the jets of warm water

flowing between her legs. As she melted against the tub her co-star scooted up next to her with a happy sigh. “Mmm... so nice and warm in here. I’m glad we decided to get away. Thanks for the idea Eve!” the vixen churried. The skunk laid on the outer rim of the tub deep in thought... had she not heard her name, the vixxen’s words woulld have been lost. “Oh! Oh! Yeah you bet... check out that hunky masseuse... grrr... I could go for a massage right now...” she said full of energy.

Torrie peered over just as he flapped his large wings, his strong muscles clearly visible beneath his tight shirt. “Honey I don’t tknow,,,” she said as she rubs her lower abdomen symbolically. “That dragon was pretty big- and he knew what to do with it!”

she com-
plained
though a
huge smirk
ran across
her muzzle.
“He’s coming
this way!”
Torrie ex-
claimed as
she leaned

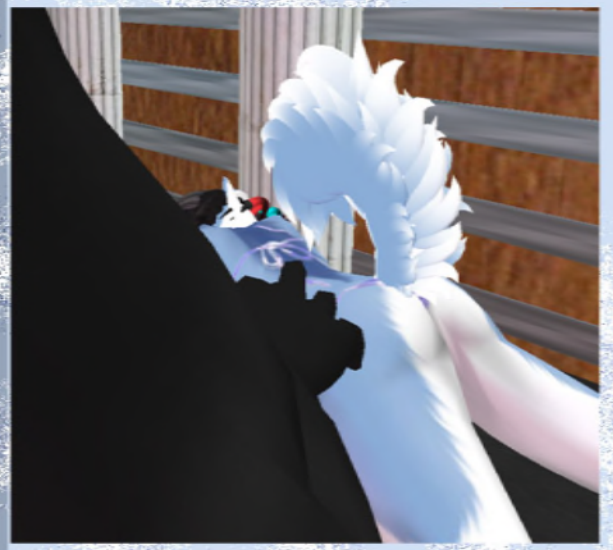


into Taina, pre-
tending to muzzle
her. “Hey stud...
what time do the
massages start? I
could use some
rough treatment...”
the vulupsious
skunk said with a
seductive tone.
Like clockwork
Eve slid over to
the closeside of
the tub and with a

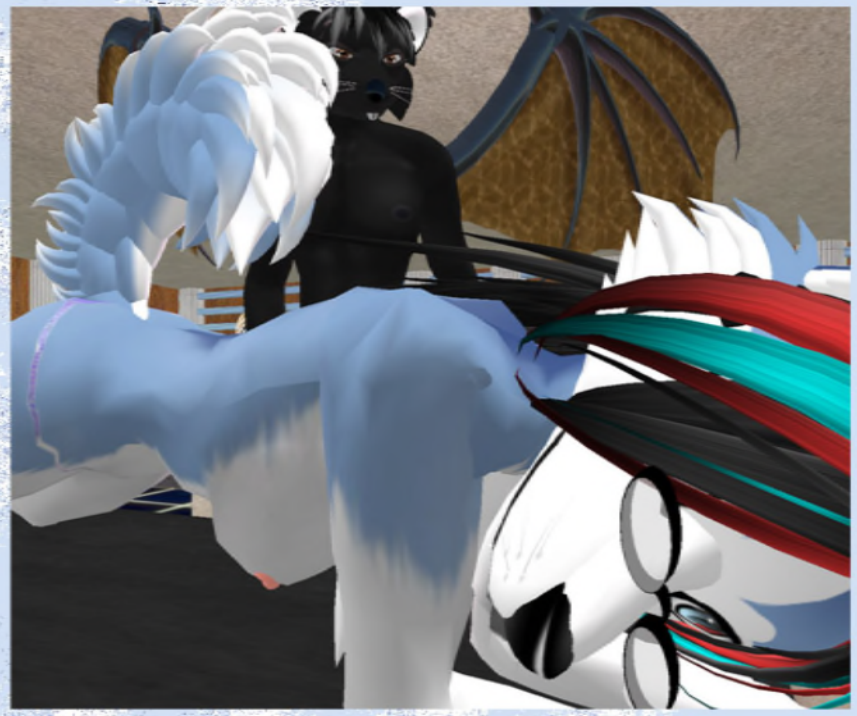
giggle Torrie joined... the wet husky's fur lay flat against Eve's and she murrs as they hugged. Taina couldn't help but sense the heat from the cuddling girls behind her and slowly rose out of the water.

With slightly bent legs she hopped out of the tub and gave him her best pose. "I could use good massage honey..." she whispered to him. "Me too!" Torrie blurted out and pitterpats over to the massage table where she lays down, tail flapping energetically. Eve sighed and perched on the massage table as the lucky vixen flirted with the male. "Right now if you wish madam. This way please."

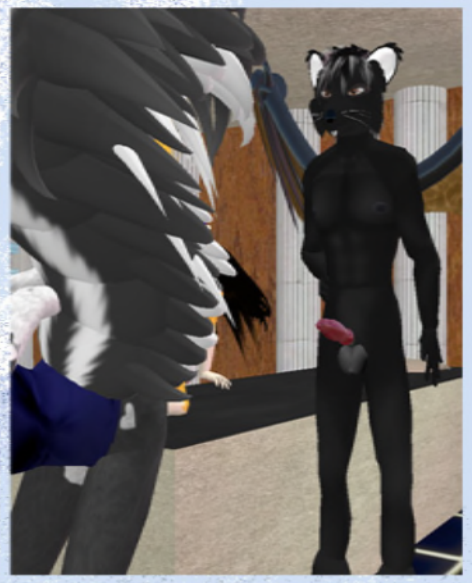
Taina watches his eyes run over her then quickly make eye contact. “Mmm maybe you can take off that shirt for us honey...” she replies... before he could answer she ran her paw down her belly and winked.“I thought you had a sore pussy...” Eve muttered as Taina sauntered past and lay down, her thong hugging her puffy pussy lips. Torne happily lay on the table watching the masseuse walk over and oil up his hand. He places his fingers on her back and begins to roll her furry shoulders until her eyes are closed... and legs wide apart on the table. Lets see whats under those pants, whatcha say stud?” Eve said with a smirk.



The male began to object but then gave in, shedding his shirt. Just then the lady skunk laid a paw on his flat belly... she murred and un-buckled his pants and let them fall. Without further objection the male looked down at the rapidly warming skunk as she began to rub him. “I see why you like this spa Eve!”



Torrie giggled as she watched the lady skunk place her nose against his lower abdomen... causing him to groan. She expertly placed her paw below his sac and weighs his balls. “Oh Freddy... did Marla reschedule?” he nods as she picks up his semi erect member. “Aww poor baby...” she says to his tool and gives him a glance with a mock sad face... then engulfs his member. The blue husky coos as she watches the cock pump to life in Eve’s mouth.



Soon she bobs her head in time with his grunts, sucking him until he is hard and panting. Slowly she pulls off of him and licks her lips. Taina growls seductively from behind him and he turns to face a wiggling vixxen rump facing him, tail in the air. She looks back and shoots him another wink... one paw rubbing her breasts until her top falls off, her already nude rear aimed right for his face. As she wiggles he turns and bops Eve in the face accidentally then climbs up behind the vixen... she murrs and spreads her legs for him. Without hesitation he rubs his member against her opening and slides in the hilt, causing Taina to shudder and gasp as

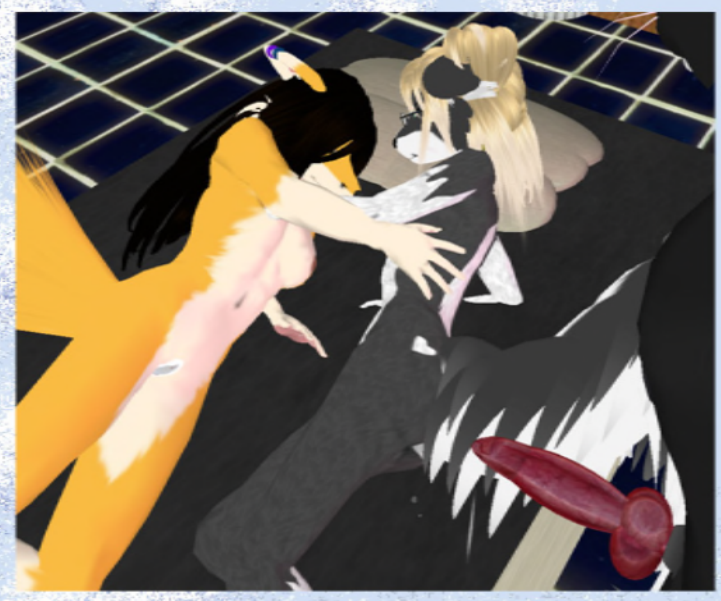
she collapses onto the table with a groan. With his hands around her hips he begins to steadily pound her ass, causing a slapping sound to echo through the tiled spa. Eva pouted for a minute then climbed on the table behind them and began to rub herself and lick her lips at the bouncing sac just inches from her. The dark make grunted as Taina milks his meat and he contintues his steady pounding until he slides out of her, placing his cock in the cleft of her rump as he catches his breath. “Oooh! Do I get a turn?” Torrie yelps as she lays, her long tongue hangs out and pants slightly at the couple.

As he nods and gets up, Eve groans at the musky male scent as he climbs up to the female husky. She immediately pants at his attention and raises her tail instinctually.

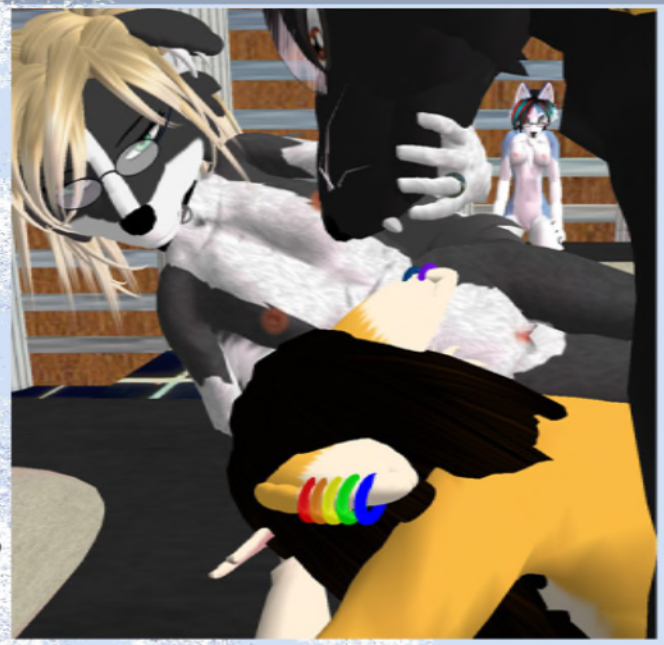
Taina slowly paws herself as she watches the male's cock, slick with her juices as he lays it on her abdomen. The husky leans back and shows off her well defined lips to him and he rubs his tip at her opening until she nods energetically. With that signal he slowly enters her, causing the husky to yelp and then cry out in ecstasy as the male's steel grinds her upper wall. Even the seasoned masseuse winced at her tight canal... his canal head grinds her nerve bundle. He carefully readjusts and slides in deeper much to Torrie's delight as she squeezes and pushes back against him as his reward.

Her long tongue hangs out her mouth and she nearly drools from the steady rutting, “Oh yes f-grh...nngghh” she cries as her climax hits her... legs shake and she mumbles and yips as the male groans at her pussy spasms. A few minutes later he slowly pulls out and gives her a sloppy muzzle kiss which she returned with great vigor. “Mm now its-” “Hey stud... how about seconds... momma didn’t cum just yet.”

Taina chimes in, cutting Eve off in mid sentence. Eve groans and pats her pussy, realizing that she might not get a cock today. The strong male looked over, panting and climbed back over to her. As he held his cock at her pussy Eve slid between them with a smile on her face, now fully nude. Having been with eve so many times before, the male eagerly clamored for Taina’s waitign pussy which was nearly dripping and puffy. He almost pushed Eve off as he re-entered the vixen with new vigor. Taina cries out and then coos as he begins to savagely pound her much harder than before. Eve sighed and rubbed her pussy to their lovemaking... she soon gets quite flushed and couldn’t help but reach over and pat his balls each time he thrusts back. Writhing below him Taina’s nipples scarped against the fabric of the table which only added to her pleasure that was already flooding her mind.



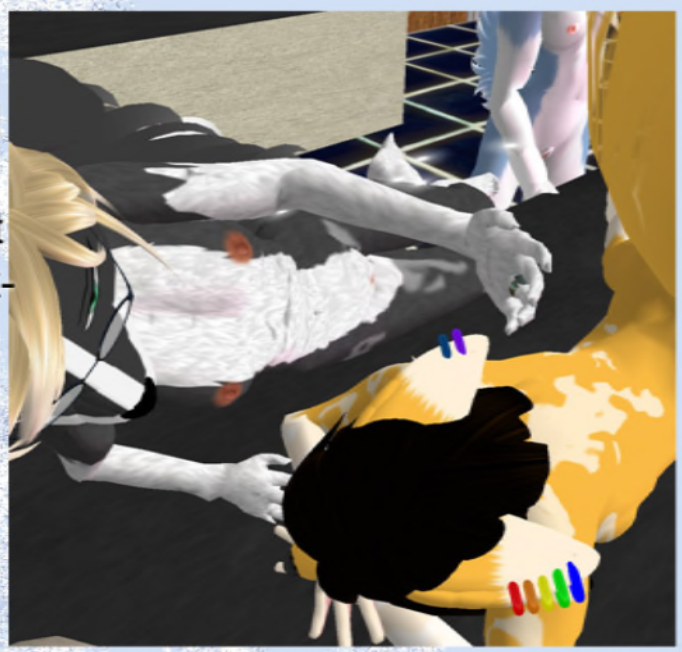
Eve pats his balls and rubs them with her pussy juices gathered by her lusty paws... he pants harder and begins to get jerky in his movements.



The second Taina's walls began to milk him and she began to cry out uncontrollably he slid out of her... with a grunt a long rope of cum flew

onto the vixxen's golden rump followed by jet after of white stick mess. The semen shoots onto Eve who happily held her muzzle open as a few drops splatter

her black and white fur. “Oh good, you got that fruit basket I sent ya huh?” Eve mumbles as she licks and tastes the droplets of sweet cum in her mouth. He nods again as his jets taper off and he lets Eve take his member into her paw, “Poor baby... I’m gonna have to clean you off...”



Roller Rink Dating

Joe hadn't been the most popular guy in high school.. Cali on the other hand had been the most popular girl. After graduation Joe inherited the old roller rink which ironically became the hang-out of Cali and her inner sanctum. Every night Joe cleaned up after them, condoms, bottles and furrotica mags littered the floor.

Starring:

Wolfy Yifu: Joe

Luhv Yue: Cali

It had been a few months since graduation and Joe was enjoying the free time he'd gained not having to clean up after the cool crowd. As he lounged outside a shimmering caught his eye... the feminine outline of a feline striding down the street grew nearer with each second. He stood up in a flash as his heart began to flutter... she was coming his way. With a paw through her hair Cali stood before Joe, her tight tube top barely containing her braless breasts. "Oh... are you here?" the bobcat said in monotone. "Y-yes I live here. Wou-" "Oh well I'll be back later then."

“Wait! Would... would you like to hang out?” Joe stammered, trying his hardest from staring at her pronouced nipples. She turns and stands, chest out.

“What? Oh well.” her eyes look up and down at him, fix on his pants and back up. “Alright, I’ll be back tomorrow at eight kay?” “Sure! We can hav-” “Kay bye!” she says and skates off. Joe waddles back into his place ecstatic and grabs his furrotica mags before a left into his bedroom.

The next day Joe swept and polished as best as he could when he heard the clacking of skates on the sidewalk. “Boo! Hey Joe” Cali said in a chipper tone. “Cali, you’re early! C-come in!” As he greets her the sultty bobcat saunters in and immediately hops on the rink. She begins to expertly ride around the place, showing off her slender body to Joe who fights hard to keep from panting. It was a warm day and getting much hotter for Joe now...Cali runs her paws up and down her sides, causing Joe to swallow hard. “Cali! I got this for you.” Joe said with a smile as he produces a rose and hands it to her.

“Oooh a rose! Thank you Joooe.” She coos and reaches back... unbuttoning her top and letting it fall before him. Her perfect. erect nipples stand out as she places the rose in her muzzle with a flutter in her eyes. The husky shys away, almost blushing at her nude breasts... she purrs and sits on the median.

Joe looks away and joins her. In a rare second of bravery Joe places a big husky paw on her leg.Cali takes a deep breath and purrs loudly. As she does her long feline legs pull agaisnt her and off her pants go.... exposing her panty less pussy. “Mrrooww... such a pretty rose... thank you Joe” the seductive kitty purrs as her paw pats his thigh... dragging up and patting his stomach.

Joe shivers and pants as his member begins to stiffen in his pants. He had always had a crush on Cali and didn't think he'd find her nude body nearly draped across his lap.

Cali lays on her back purring and turns her head to her side and sniffs his crotch... her feline instincts...

or perhaps her experience told her Joe wanted her badly and she raises her legs up and holds them with her paws. Joe can't help but groan at the sight of Cali's raised legs and open pussy. She notices and giggles "Come on Joe..."

With that the husky rises and then ackwardly lays next to her. He pulls her over a bit before finally placing her on his belly... which placed his nose right at her opening of her pussy.

Cooing Cali winks her pussy and tail hole at him as his muzzle blows warm air against her feline folds. Joe’s nose bumps her folds causing Cali to shiver lustfully as the husky began to nose and lap at her lips from below.

Cali's well used pussy brushes his whiskers causing her to coo intermittently... soon Joe's tongue is eagerly running along both sides of her lips as his smooth tongue teased her folds.

With a lustful moan Cali pulls herself onto Joe's muzzle and sinks his nose into her vulva. His hot breath fights her lips as he tries to breathe and eventually gets the rhythm down, licking her juices into his muzzle and taking a breath.

With primal urges kicking in Joe pulls off his pants and lets his member bounce free. Cali sniffs the air and purrs at his musky scent… she notices Joe humping the air furiously and she giggles,

With little cries Cali lets a few more inches of Joe’s muzzle to slide within her, her juices stain his white muzzle and he lets out a low growl of great satisfaction.

“Ready are we?” Joe snorts in her pussy and pulls out and with his best cool guy voice he says, “Y-yeah baby come on! Lets make it!” whilst pumping the air. The bobcat slowly pulls herself off his muzzle reluctantly, “Well Joey… I’ll show you how its done then.” Cali says.

She stands by his toes and slides on top of him… soon her muzzle is brushing his, wet with her juices and his ready cock bumps her thy. “You see… its like this… put it in me slowly…” she says softly as her muzzle hovers over his nose.

He gives a nervous lick and kisses her accidentally. “Oh I’m sorry!” he yelps and she giggles… then lowers herself onto his member.

With a groan from each partner the pair begin to slowly hump as inch after inch of the husky cock began to fill Cali.

Cali giggles as she cons the virgin woofie and this time she rides his lapping muzzle. With quivering thighs Cali nearly screams as she cums around his muzzle.. she moans, “Zzzuurrriiimmm.. ohh.. oh.. Joe.. fuck me...”

Joe takes her hips and lifts her up as she positions her-self over his member and rubs his cock against her open lips. Without warn-ing she slides down and groans... then lays back and begins to buck against him.

They pant and grind as Joe gets the rhythm down “then you eat me..” she says, rising off of his slick member causing it to flop against his belly. He grunts and opens his muzzle for her pussy which he eats out furiously.

In surprise Joe cries out “Cali!” and winces, his head back as he grunts at the sudden rush of pleasure. The bobcat bounces widely on his cock, flipping her head around and flicking her ears back and forth.

It wasn’t long before Joe could feel his swollen balls, sliding against the bench surface begin to rise… Cali forcefully grinds her pussy and clit against him and orgasms once more, milking and pulling him as she cries out. Joe yelps and launches a shot of cum into her pussy,

"I'm cum-cumming!" he manages to cry out. From her post orgas-mic glow Cali shrieks and pulls up, letting his cock fall out and spew cum against her labia and the front of her.

Her fur mats instantly with the globs of thick sticky cum. "You... you came in me..." she said as he stammered, "I'm sorry Cali! I didn't mean to! I didn't kn-"

“Grrr! Only my boyfriend is allowed to cum in me!” she growled, panting and covered in husky cum. “Boyfriend!?” “Yes,” she shot back, “next time we do it be more careful.” She said as she began to lick her body clean.

May Halasy and Alek Petshop's Home

We couldn't get enough of May this summer so we followed her home and met her unicorn mate! A tropical environment seems to suit...

both of them quite nicely and when we all got upstairs... things got even hotter.

AG: Alright so we're at the tropical home of May and Alek! Think you could show us what a rabbit and unicorn do when left alone?

May:
Sure! Welcome, and about your question; well I can tell you that we love use our free time in sev-eral activities. As you can see our little home has a lot of cool places to lay, have a nice time.

AG: Hmm looks like you two don't always dine on carrots... but it looks like eating here takes place... is that true you two?

May: Yes, as you know bunnies loves carrots, well she loves carrots with a "special" passion. Sometimes we want dine another things and for that special occasions we come here and we do... whatever we wish.

AG: So does your unicorn horn ever get in the way? If so I think our readers would LOVE to know exactly what you two were trying to do!

M&A: We like take advantage of all in this house, why just use the tables for one type of service? if we can made new stuff.. on the table.

AG: Bunnies will be bunnies I guess ^^ Still with us you two? I see you're quite... busy :P

M&A: Oh yea we are, but I hope you comprehend... when a bunnie wants her carrot, as you can see at this time, you must

give her what she wants.

AG: With such a nice warm climate I bet it must get pretty warm upstairs. Ever have a problem with being too warm?

M&A: Too warm? oh no, everyone knows that the climate in tropical places is usually warm, and we know it as well. When I did begin to feel more "warm" than usual we found the way to cool off the "heat"... being nekkid it's a good way to fight against the heat... or rethinking it... could make the things worst...

AG: Lets see the upstairs, I'm sure there are plenty of places for you two to show off ^^
Oh right back to the interview- so whats your favorite piece of furniture... to do it on?

B&A: Of course, feel free and lets go to peek a bit upstairs, and about your question- well we enjoy doing it on every piece of furniture in this house.

A(Alek):But May, what it's our fav furniture here?

M:Oh, our dragon couch for sho!

AG: It looks like the chair seems to be today's pick? Any other places you frequent?

B&A: Well we like the classics too, and what's better that our old and comfy bed? Plenty of space to do whatever we want, let us show you...

AG: Well have fun you two- whats that? Oh sure we'll keep taking pics! Yeah its

waterproof its ok.

M&A: Oh that's good because you are taking pics in a very "wet" place, but you already know it :P

AG: Thanks for letting us see your tropical home you two, and a lot more!

Behold! The Dwaggie chair!

And a nekkid bunbun armed with carrots.

Alek moves in!

We hadn't planned on an action scene for these two...but we decided why stop a good thing?

Action scene 2.5?

M: Always is a pleasure show to you and all the readers of this marvel-eous magazine how is the life in a tropical paradise, im sorry but the "heat" here is a thing that i we can not avoid, we hope you enjoy your visit.

Undaunted by the armed bunny, Alek bravely pulls his mate down onto his shaft. Her breasts bounce hard and with a squeal.

May lands on his member. A perfect land-ing for this pair. There was no hidden carrot we have now determ-ined. She's a very healthy bunny.

Close-up

May's full breasts jiggled and bounced with each concussion. Alek tried his best to make his mate bounce... and he succeeded!

As active as she described... though Alek is trying for first. With her paws high in the air the bunny nibbles her carrot with a grin.

After some good rough treatment, May was squealing to the grunts of her mate as he unloaded his equine cum on her.

Such a well matched couple if I ever did see one ^^ I guess this makes for a new section of the mag... the Very Erotic Housing Section! Thanks again to May and Alek for the demonstration! Now we know what to do when we visit a tropical climate!

his voice made her melt and she hoped to catch sight of him before the concert. As she approaches her ears perked up, Rancor's voice squeaked over the sound system as he chatted with his buddy Darmok who was working up a sweat on the drums.

Rayni's little heart fluttered as laid eyes on him. He was more dreamy than she had imagined and the place was almost empty. She ran up to the stage and stood with the two other early birds. Her paw sat over her chest as she felt her heart fluttering, her unblinking eyes fixed on him intensely… instantly her body began to warm and fought to remain ladylike.

He finished his bars and looked down, gazing upon the husky until their eyes locked. Rayni took in a deep breath as his eyes ran up and down her frame.

At first he took little interest in her and she remained still until he began to sing… Darmok laid down the beat as the singer tested the levels… the two concert goers bounced and danced… Rayni was hypnotized by her crush.

She struck her sexiest pose as he leaned into the mic, “Hey babe why don’t you join us up stage.” He said in a cool tone… with eyes now fixed on her bouncing cleavage as the girl scrambled up the state. Jumping up and down ecstatically the husky squealed, “Oh! Rancor! You’re my favorite ever! Ever-ever-ever!”

Rancor stood with crossed arms, smirking and nodding, “I think I like this one. Darmok what-cha think.” “…Yeh.” The muscle bound canine said in a sedate tone. As he spoke Rancor motioned for Rayni to follow him over to the keyboard where her began to play a little tune for her. Darmok got up and stood behind Rayni and she sheepishly looked at him as he approached, ears back.

“So you like the band huh.” Rancor asked, playing the tune of one of their songs on the keyboard as he looks her over. Rayni nods enthusiastically, she notices Rancor smirk as her body moves and her breasts jiggle… suddenly she gets an idea. The husky smiles back and pulls off her top with a seductive grin… her breasts fall back down in her bikini top. As she readjusts her large breast Rancor says, “OH yeah baby that’s what we like to see!”

“Yeh!” “Maybe we could show you a few behinds the scenes… things huh?” With a huge smile Rayni unbuttons her pants and crosses her legs… she tugs up on her suspenders and pulls them over her breasts, causing them to flatten and spill out around her top. “Mmm baby.” Rancor growls… she pulls one to her side and lays her head on her shoulder…

looking up at him she pulls the other down and lets her pants fall. She steps out of them and hippity hops with crossed legs and pulls on her bikini bottoms, “Oopsie! Heehe” she says in a cute tone. With her wedgie cleared Darmok stood right behind her with his muscular frame shadowing hers. She drops her ears once more and looks up at the male, towering over her small body.

“H-hello Darmok.” She stammers, feeling her submissive side kick in as she senses the male’s desire. Rayni’s bikini bottoms are quickly drenched… both Rancor and Darmok’s presence would have been more than enough to get her going and she feels like someone has turned on a faucet between her folds. Soon Darmok is standing just a few inches from her body and she feels herself swell up with energy…

her wet nose rests just inches from his belt buckle… she sniffs at him and takes in his masculine scent. “Dar seems to like you a lot.” Rancor points out… Rayni takes in a deep breath and decides to go for it. Her shaky paws pull on his belt and she unhooks it with a small yip, soon his pants fall and expose his nude body. Rayni looks over at Rancor and he nods with a big smirk as she reaches over and fondles the big male. Her fear of looking like a square in front of Rancor fuels her… causing her paws to rub his sac as she noses his shaft.

She had only had a male in her mouth once before and she desperately licks the sides of his growing member. As the husky works on him Darmok groans, wiping his brow as he watches his long cock pump to life. Moaning a bit, Rayni tries to act expert and engulfs his cockhead… “Yeah there we go baby.” Rancor cheers and with that she begins to suck on him as if her life depended on it. The long musky shaft continues to grow… soon she realizes that Darmok was more than she bargained for… his shaft was twice as big as her ex-boyfriend and was only partially erect.

She eeps and lets out a few little moans and cries as she tries to stuff him in her muzzle… Rayni's muzzle expands as he cheeks pooch out from the large amount of cock stuffed in her "Yeh…" he moans as she licks on his tip fervently. She bobs down until his huge rod bumps the back of her throat… the gags and chokes… tears well up in her eyes as she lets him pump her muzzle while Rancor watches.

Behind her the singer drops his own pants and waddles up behind… he strokes his growing member as he watches the groupie bob her head on the drummer's cock. Fully erect his member's head barely fit in her tiny muzzle and her tongue hangs out of her mouth, forced out from the size of his member alone. As if he had done this before, Rancor sits himself down on the edge of the stage as the fans begin to cheer him… like clockwork Darmok pulls out of her and walks over behind Rancor.

As she pants Rayni remembers she's on stage and blushes hard… her panties are now drenched and stuck to her body as she follows the well endowed male. "Come on over baby it looks like you're all ready." Rancor says as he pats his lap… this was the moment she had been fantasizing about for so long. As she climbs over him looks at the cheering fans, clapping and pawing to their show… she tires to sit down and Rancor yelps, "Panties babe."

He says, Rayni blushes again as she hurriedly pulls off her panties, "Let the crowd have em ' babe." She obeys and tosses the heavy panties into the crowd where it slaps a small woofie in the muzzle… he blushes as he nose wiggles... sniffing her plentiful juices.

Without missing a beat Rayni sits down on his cock… he holds himself up as he pokes at her folds.. she pants a bit as he heart pounds in her chest.. she sits down on him and cries out happily. “OH yeah baby that’s right…” he yelps as her body slides down on him. Rancor pumps up into her pretty pink pussy now open for all to see. Soon she rests on his body, hilting the hyena and grinding her lips on his shaft base. Rancor rubs her clit and feels his shaft bloat her lower abdomen as he humps into her.

His cock glistens with her generous juices… Rayni’s breasts bounce wildly from the sexing. From behind her Darmok places his meat on her shoulder for support and his musky smell floods her sensitive nose. “Alright. Lets give Darmok a go… what do you say babe.” He says as she raises off him, a drip of her juice lands on his chest as she smiles at Darmok and eyes his baseball bat.

Rayni saunters over to the keyboard, feeling like a queen and Rancor lays down with his cock up. Puzzled the groupie stands still only to feel Darmok pick her up by her rump she squeals and giggles as he pulls her into the air … she looks down and sees Rancor's round member near her muzzle and she opens wide "Aaaa-" she giggles as Darmok guides her muzzle onto him…

and feels his massive member pull against her clit causing her to shiver. With wide eyes she realizes her situation and yips around the cock thrusting in and out of her now seasoned muzzle. Darmok grunts and forces his massive cockhead at her folds… her muffled cries ring out as he breaks though and begins to pump her.

Straddling her, Darmok begins to hump her tight pussy using his muscle bound arms to hold her up… her muzzle pumps around Rancor's round cock as he groans. Rayni coos happily despite the huge cock jabbing into her body crudely… she feels her soft folds hugging the rod tightly, her lips stretched around him. Her muffled moans make Rancor groan as she licks and sucks his round head… Her intensely tight vulva causes Darmok to wince and grunt. he holds her like a wheelbarrow.

With a big hump he pulls out and holds onto her right foot causing her to dangle like a rag-doll in his grasp. He grunts and launches cum onto her fluffy tail, curled against her rump as ropes of canine semen coats her back. Rayni's ears are splattered with the copious amount of cum as she realizes his cum load is just as big as his cock. She moans and cries out as her pussy quivers from the musk emanating from the canine cum and hyena cock wedged in her mouth.

Darmok lays her down and she eagerly bobs on her favorite band member's penis… licking and stroking his sac lovingly as he listens to the sounds of pleasure he makes.

Without warning he cums and floods her mouth with salty hyena cum... at first Rayni coughs as the cum splatters against the back of her throat… but soon she drinks him down, moaning uncontrollably. As he pets her head she cries out and tenses… her thighs shake and she cums hard.

With one hand on his sac and the other rubbing her slit Rayni finishes taking Rancor's load and pants at him with a wrinkly orgasm face. "Well time for the show baby. Later." Rayni pants happily she lays on her belly, back slathered in cum as she looks at the cheering groupies…the little woofie stands holding her panties as he sports a full erection.
